We would like to invite your organisation to join us at the Curriculum for Wales Equity and Inclusion event series taking place on:

➤ Wednesday 31st January 2024	1-5pm	Tŷ Pawb, Wrexham
➤ Thursday 1st February 2024	1-5pm	M-SParc, Ynys Môn

The events aim to bring practitioners and partners together to learn, and share experiences, so that we can work together to develop an equitable system where every learner benefits from a broad and balanced education.

As part of a 'Marketplace' at the event you will get the opportunity to talk to the practitioners about how your organisation can work with schools and other education settings to support equity and inclusion. We would be delighted if you are able to come along to any of the events taking place in geographical areas where your organisation operates.

As part of your commitment, your organisation and your services will also be added to a directory which will be made available to practitioners on [Hwb](#), the all-Wales learning platform. On the day you will be provided with a table and tablecloth as well as space for your organisation's stand. We will contact you with details of set-up times at the venue once you have booked your place(s).

The events will include a carousel session for practitioners currently working in schools as well as the marketplace session. An outline agenda is included below:

Agenda	Gregynog Agenda

[Book your free place\(s\) today](#) and join us to discuss how we can work together to support all learners to be ambitious, healthy, enterprising and ethical citizens, ready to play a full part in life and work.

Please note that the 'Marketplace' is for third sector and not for profit organisations only.
