

Pornography and Misogyny Education for South Wales

Brook are pleased to announce a new service for South Wales

We offer a comprehensive service to support school communities to communicate with CYP about Pornography and Misogyny

For more information on how we can support your school or organisation with an event, workshop, training or referral please contact us at:

southwales.education@brook.org.uk

OUR OFFER FOR YOUNG PEOPLE

Working with schools and agencies we offer the following for young people:

- **Universal Education Workshops on Pornography Awareness and Understanding and challenging misogyny and gender stereotypes for all secondary schools/further education settings.**
- **Targeted Small Groups for YP who would benefit from more interaction and support around healthy relationships, consent, sexual health and wellbeing.**

OUR OFFER FOR YOUNG PEOPLE

- My Life 1:1 programme for YP who need additional support around healthy relationships, consent, sexual health and wellbeing.

My Life is Brook's evidence based early-help programme. Sessions combine needs-led personal, social and health education on a variety of topics, with motivational/coaching approaches from a toolkit of quality-assured resources.

PROFESSIONAL TRAINING

Quarterly online learning sessions for professionals who work with YP.

The content of sessions will be guided by local need as the programme evolves, and include:

- Pornography Awareness
- Exploring Masculinity and Tackling Misogyny
- Teaching Consent and Managing Disclosures of Sexual Harassment

Sessions will provide a space for professionals to network, ask questions and share examples of best practice.
